## **Reasons for Allowance**

Claims 1-16 have been canceled.

Claims 17-40 are allowed.

This is examiner's statement of reasons for allowance.

Independent claims 17 and 29 recite an image reading apparatus for optically reading an image, comprising;

Determining means for determining a dark image pickup state in units of the image pickup frames, and lighting control means for controlling an amount of light emitted by the lighting means in units of image pickup frames.

Independent claims 23 and 35 recite an image reading apparatus for optically reading an image, comprising;

determining means for determining a dark image pickup state using an image pickup signal corresponding to a substantial center area in an image pickup display among image pickup signals output from the image pickup means.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
